### ONLINE COURSE ACCESS

You will receive a unique login link by email to access the course. No username or password is needed. Always use the same link to log in. You will receive two certificates: one for your learner's permit, and one after completing the online course and driving lessons.

### BEHIND-THE-WHEEL INSTRUCTION PHASE

After getting your learner's permit, you may schedule up to 2 lessons per week at: [WWW.SCHEDULEYOURLIFE.COM](http://WWW.SCHEDULEYOURLIFE.COM). You will be given a username and password to schedule. Full tuition must be paid before you can start scheduling driving lessons. New lesson slots open every Thursday at 6:00 PM for the following week. Lessons are scheduled first-come, first-served, so book early. Summer and holiday periods are very busy, so plan ahead. Each session includes one hour of driving and one hour of observation.

### REFUND POLICY

Refunds are based on how much instruction was completed before the student last lesson attended. The refund date is the last day attended or when written notice is received - whichever comes first. Up to \$50 may be kept for administrative fees; the rest is refunded for unused services. A full refund is given if the student has not been issued any DEE-964 certificates (either learner's or completion certificate).

### GRADING

Students must meet certain standards to show they are making progress in the course. These standards follow the approved driver education curriculum. To pass and show mastery in driving, a student must earn a grade of B or higher. Grades like N, C-, C, C+, or B- mean the student is still at a basic skill level and has not yet mastered driving. In that case, the School will not issue a Certificate of Completion. Mastery is evaluated through: Online course tests, a driving skills checklist, Final tests preparation on driving knowledge and skills. Progress will be tracked to make sure the student can finish all parts of the course within the allowed time.

### OPERATION AND CONDUCT

A student or prospective student may be dismissed or barred from the driving lessons for tardiness, drunkenness, or consumption of alcohol or drugs on the premises; rude, vulgar or disruptive behavior; smoking; or being generally inattentive (sleeping, reading, etc.) during lessons. Students terminated for violating Rules of Conduct may be readmitted at the discretion of the School Director.
